

# LOW-PROFILE SIDE BOXES

**PROFESSIONAL LOOK.  
MASSIVE STORAGE.  
MAXIMUM VISIBILITY.**

**NEW ALUMINUM LOW-PROFILE SIDE BOXES FROM WEATHER GUARD® SECURE YOUR TOOLS WITHOUT COMPROMISING YOUR VIEW.**

WEATHER GUARD low-profile side boxes sit low and wide to hold loads of equipment without obstructing your rear view. And more importantly, they give your truck the professional look of WEATHER GUARD premium storage solutions.

## FEATURES:

- Low-profile design delivers greater rear window visibility
- Extra-wide design increases storage space
- Matches profile of full- and compact-sized aluminum low-profile saddle boxes
- Made of heavy-gauge aluminum for years of dependable durability
- Quick and easy installation
- Extreme Protection™ lock protects against break-ins
- Automotive Style Latch provides smooth “one-touch” opening
- Three-year warranty

SECURING YOUR REPUTATION.™

## KEEP YOUR TOOLS SAFE, YOUR VISION CLEAR AND YOUR TRUCK LOOKING GOOD.

Give your truck the long-lasting, professional image that only comes with WEATHER GUARD® premium storage solutions. The new low-profile side boxes match our complete line of full and compact, low-profile saddle boxes, sitting just above the bed rail to keep your rear sightlines intact. With WEATHER GUARD® Truck Equipment, you know they are built to take on years of hard work, with heavy-gauge aluminum construction and durable clear or black finishes.
